Asia-Pacific Water Ministers' Forum 2010

Objectives

- Ties in with the "Minister for Water Security" Initiative launched by Mr Yoshiro Mori at the 5th World Water Forum in Mar 09
- To raise awareness and facilitate dialogue among leaders in government, private sector and civil society on policies, investment and innovative solutions that help to increase water security in the Asia Pacific region.
- To provide a platform to share on APWF's achievements and convey key recommendations to address critical water issues in the region to the Ministers and water leaders.

Theme

- **Water Security - Good Governance and Sustainable Solutions**
- Ties in with SIWW theme - "Sustainable Cities : Clean and Affordable Solutions" and builds upon the theme of the 1st Asia Pacific Water Summit - "Water Security: Leadership and Commitment"

Asia-Pacific Water Ministers' Forum

Invitations to Ministerial Delegates

- 24 invitations for APWMF have been sent out to the ministerial delegates in the Asia-Pacific region.

Asia-Pacific Water Ministers' Forum

Proposed Programme

- The APWMF will comprise of a half-day program. It will start on the 28 Jun 2010 (Monday) afternoon and will end in time so that the ministers and water leaders can join the SIWW opening ceremony and welcome reception in the evening.
- APWMF will be opened to APWF, SIWW and WCS delegates. Estimated turnout of 200 people.
- Tentative venue at Marina Bay Sands.

Outcome

- The outcome of the APWMF will be a summary of the event highlights and key ideas (akin to SIWW's publications - "Solutions" and "Blue Paper"), and is proposed to be presented at the 2nd Asia Pacific Water Summit.
